ON TAP

SPEIGHT'S GOLD MEDAL ALE | 4.0%
Speight's Gold Medal Ale has a full malt flavour, with a hint of grassy undertones & bitterness. The biscuity taste from the barley is balanced with Pacific Jade & Green Bullet hops, adding an equal amount of bitterness to result in a pleasant finish with no harsh aftertaste.

MAC'S GOLD | 4%
A golden refreshing lager from NZ.

MAC'S CLOUDY CIDER | 4.7%

This is a classically cloudy traditional style cider, smooth upfront with a fresh, slightly tangy finish. Fresh from the tap, it's so crisp you could take a bite out of it.

EMERSON'S PILSNER | 4.9%

A 'Kiwi Classic', pilsner is a showcase for Nelson grown Riwaka hops. Its overt fruitiness begs comparison with Malborough's world-beating Sauvignon Blancs.

PANHEAD QUICKCHANGE XPA | 4.6%

XPA means extra pale, a product of Quickchange's lighter malt base. That delicate colour though is undercut by a glorious hit of alpha oils from mosaic, galaxy and citra hops.

PANHEAD SUPER CHARGER APA | 5.7%

This is an all-American show with centennial, citra and sincoe overwhelming your nose, kicking you in the taste buds & departing with more bitterness than a palm springs divorce.

PANHEAD PORT ROAD PILSNER | 5.2%

Passionfruit, grapefruit and sauvignon blanc characters abound, stacked up on a robust malt base that's partly German, partly Kiwi.
